

tool 30 Informed Consent

Checklist

- The child is able to understand the points detailed below.
- The child is not able to understand the points detailed below, but a parent or guardian is present and able to understand the points detailed below.

The child/parent/guardian:

- Is informed of the identity and mandate of the person and organization conducting the interview.
- Understands why the information is being collected.
- Understands how the information is going to be used (documentation, communication, possibly verification by the UN) and who will be allowed to access information.
- Understands the risks of providing such information.
- Understands what confidentiality and security measures can be taken to mitigate risks.
- Has specified any conditions or limitations to his/her participation in the interview or any other stage of the documentation process.
- Understands that his/her collaboration is a choice and not an obligation.
- Understands that refusing to provide information does not restrict in any way the possibility of obtaining assistance and that conversely, agreeing to provide information does not bring additional assistance.
- Understands that he/she can stop the interview and withdraw his/her testimony at any moment.
- Knows how to get in touch with your organization if need be.
